01 - Motive

Recently there's a person I'm interested in.

Minase Suzuka of the neighboring class.

She's kind to everyone, she also proactively comes to help people.

In addition she's also a beauty, her breasts are large so she usually is the hot topic among the guys.

The impressions people get from her are pure, lovely, and transient.

She gives off the impression of an easy to understand girl, but I couldn't feel humanity from her. It's like she's acting out a job given to her.

Is it because of my growth that I noticed that I wonder.

「Saintess」

That's how she's called among the boys.

That's why I can't help but being bothered.

How would she react if she gets violated, will she become enraged, or will she keep on crying over and over again.

I want to see it, her true face.

02 - Capture

Today, I'm carrying out my plan.

Suzuka will be missing from today on.

I already understood her life pattern, today's Friday so without doubt she'll come home. That's why I put a love letter into her shoe box, I'll call her to somewhere without people and make her unconscious, meaning kidnap her, I'll move far away from the highway and into the mountain trails, and come to my house.

After school, Minase came to the appointed location. As expected she couldn't just ignore the love letter. She could've just ignored a love-letter coming from an unknown sender...

I snuck behind her, and covered her mouth and nose with a drugged handkerchief. Instantly, she widened her eyes and quickly lost consciousness.

As she fell I carried her from the back.

Her soft body has a sweet fragrance like milk. I inhaled lots into my lungs while enjoying myself grabbing her large breasts.

From there I carried her on my back, then went home. Then I brought her into my room.

Right now there's nobody living in this house other than me.

I dropped her on the bed, took off all her clothes and restraint both of

her hands, put a strong and elastic rubber band on her ankles and opened her legs, then they were tied into the bed.

Then I decided to wake her up.

「U, Uun...huh? I'm, why am I nude? You are...」

In order to make her easily understand the situation, I sucked violently on her nipples on top of her big breasts and tasted it.

「Kyaaaaaaaa!」

She brought her legs, which were tied with rubber bands, closer and shut her thighs tightly screaming.

To hold her voice down I blocked her mouth with a towel.

「Nnnnn!」

She tried to rise her body but I weighed down on her from above so she couldn't move, as she stayed like that I continued sucking on her breast.

After 5 minutes of struggling she came to realize that she couldn't run and soon gave up on trying to escape.

After enjoying her breast to my heart's content I separated my face. Suzuka absentmindedly looked her own nipple wet with saliva.

It's not interesting if there's no reaction.

I licked her breast and her nape while using my fingers to tease her

genital.

As I touched her clitoris she shut her thighs, but the rubber bands at her ankles kept opening her legs. Her legs gradually became tired, at that critical moment I thrust my hand in between her thighs and violently rubbed her crevice.

「Nnnnuu ! Nguuuuuuuuu ! 」

Suzuka under the towel's restraint so she could only mumble her screams.

The stimulation was too strong she flapped her legs trying to escape, but I held her thighs with my own legs, she couldn't shut her legs so I continued to relentlessly attack her.

Then Suzuka's genital started to create *nucha nucha* sounds. Sometimes, she shook and pushed the top of the crotch out. It was awfully indecent, I became even more lascivious and fastened my hand's movement.

Then she was wet with love nectar, while the *gucha gucha* sounds resound, Suzuka's body made a big jump and convulsed.

As I removed my hand from the clitoris she took a breath of relief. Her face was red with shame and pleasures, but she's probably just relieved because the violent tormenting came to an end.

She doesn't know what's going to happen to her from now on.

03 - Insertion

The room was filled with the mixed smells of Suzuka's sweat and love nectar.

While being tied to the bed with both her legs spread because of the rubber band, love nectar was overflowing from her crotch.

I couldn't endure anymore and took off my trunks, exposing my penis.

Seeing the harsh erect penis Suzuka's body trembled as she understood what was going to happen.

As I got closer to her on the bed she became even more frightened and desperately tried to escape making the shackles on her hands clicked noisily with metallic sounds.

I forced my way in between her thighs, then rubbed my penis on her clitoris.

As if the reverb of the earlier caress was still remaining, she raised a seductive voice.

Then I kept doing the same thing for 10 minutes.

Suzuka kept on being nervous about when would it enter her and

became tired, soon strength left her body.

Not missing that opening I screwed my penis into Suzuka's vagina, tore through the hymen, and penetrated all the way into her womb. The proof of her chastity spilled out.

「Ah Ah Aaaaaah ! ! ! ! ! 」

As her body jumped, the force made the towel disconnect from her mouth, that's the first scream of the day.

I pressed down her crazy convulsion from above, and at that moment continuously pushed up her womb with my penis.

Then, like a string being cut, Suzuka fainted.

I gently slapped her cheek but there wasn't any reaction.

Therefore I began to slowly piston.

First I'll go from slow to fast, I gradually increase my pace, as being shaken she woke up.

「 ! ! 、It huuuuuuuuuuuuuuurts it hurts it hurts it huuurts」

「Why are you looking at me like that、stop this alreadyyy」

「Why should I」

「I can't help but want to violate you when I see your face」

「Why the hell is that ! I don't understand at all」

「You don't need to、besides you should just happily accept my penis ! 」

At the end of that sentence I started to vigorously piston, as I pulled my penis all the way out, I forcefully raised her womb by poking back into it.

「Ah、Aaa、Ahhhhhhh ! 」

Suzuka greatly bent her body and received my ramming.

Her back raised about 15 cm above the bed.

She swung her head left and right saying 'no no'.

「I'm cumming inside ! 」

「 ! ! ! ! ! ! ! 」

Byuu byuu

Before Suzuka reacted, gluing the tip of my penis into her womb, I ejaculated.

Her body trembled hatefully trembled and she fainted for the second time.

04 - Beat

(As in heartbeat)

Saturday

Kashan、kashan

I woke up to the sounds of clanking metal

Suzuka was clanking the shackles on the bed in order to escape.

But as soon as she met my eyes, her face was filled with despair.

I bent over her naked body and rubbed her huge tits.

「Don't、aaah ! 」

Spreading her legs, I rubbed my penis on her crotch while licking her tits.

Feeling a chill sent down her spine, her love nectar *pyuu* soared out and hung on my penis.

Blood quickly gathered in my penis, it became fully erect.

Seeing that Suzuka blushed and squirmed her body around to escape.

But the penis chased after her and inserted.

「Kyaaaaaa ! ! 」

* * * * *

How much time has passed

During the time, I carefully stimulated her vagina with me penis at a shallow spot while licking her neck and her nipples.

Sometimes, Suzuka moved slightly to change where the penis hit, but I kept on blaming the same spot.

Reaching her climax she pushed up her crotch and trembled *bururi*, not missing my chance I piston vigorously.

She screamed while going mad feeling it.

A strong womanly scent drifted from her, I became intoxicated.

I controlled myself and didn't ejaculate but with that I reached my limits, I indulged in my lust for her while wanting to ejaculate.

Sticking to the huge shaking tits, I roughly forced up my penis.

Sensing the ejaculation coming Suzuka frantically tried to escape, but I hugged her soft body tightly.

「Ahhhhhh ! Dooooooooon't、noooooooooo ! 」

Being tormented violently, her body went against her will and it got excited.

Guchyu guchyu guchyu

She climaxed and her limbs trembled even more than earlier.

But, it's not the end yet.

While she's still convulsing from her climax I embraced her body tightly and continued to piston.

After orgasm her vagina was sensitive, so with my powerful stimulation, Suzuka satisfied herself at the same time, *chororo* she leaked out a little.

Being covered in a warm liquid, I got excited and increased my pace.

I was put in a trance seeing her tits sticking out and rocking while being wet with sweat.

I didn't ejaculate, but stuck to her tits and sucked violently as if drawing out breast milk.

Leaking out her voice 'aan' Suzuka became furthermore indulged in lust.

Then finally I advanced my penis deep inside her while ejaculating.

Widening her eyes, she also reached her second climax, her insides shrunk.

Dokun dokun my heart throbbed while I release my semen into her womb.

Suzuka closed her eyes, her breathing became rough while her tits moved up and down, she stayed still and wait for the ejaculation to stop.

At that moment, our heartbeats overlapped.

05 - Change

I removed the restraints on Suzuka, she can move around freely now.

Then, after cumming repeatedly, she couldn't rise up on her feet, so she crawled out of the bed to escape.

But I hugged her like that from the back, licked her back *peropero* while fondling her breasts.

The smell of her sweat and her body odor entered my nasal cavity.

「A、Aan」

A lovely voice leaked from her mouth.

Her body's already completely drunk from having sex with me.

I encircled my arms around her from the back and embraced her tightly while she's on all fours, I licked her secret place and she raise a flirty voice falling back on the bed.

As she cried unwillingly I dragged her back into the center of the bed.

As she lied face-up I connected one hand with her like a lover, then

when I kissed her she averted her face.

Then with my empty hand I opened her genital and inserted.

「 ! ! ! 」

With those fingers I touched and felt around her vaginal insides.

Then when I touched a spot shallow to her front body her vagina wriggled *kyun*, her face blushed red.

She was taken aback.

As I touched that place several times Suzuka's face became redder and redder.

Seems like that's her weak spot.

Feeling it from being touched around seems embarrassing to her as tears rose in her eyes.

Of course I didn't overlook it and stimulated her even more intensely with my fingers.

Then I saw her dramatic reactions.

She threw her body up, she heavily panted while flapping her legs, her

open hand seized the wrist of my hand of which fingers are penetrating her genital.

I also suppressed her, I sucked *chuu chuu* on her nipple while continued to torment her secret place.

But she quickly advanced along with the wave of pleasures and lost her strength, she separated her hand that was seizing my wrist, her body trembled in pleasures.

「Aguu、aaa ! Hyaa ! Waait ! Nooo I can't enduuuure iiiit !」

She reached climax.

She got excited being played with and felt the pleasure.

I removed my fingers from Suzuka's groin making a *chaa* sound.

She was breathing *haa haa* from her mouth, I didn't overlook that chance and put my tongue in for a French kiss.

「Nnu ! Puwaa ! Nmuuuu !」

She's still resisting the kiss, but when I gently brushed her genital wet with love nectar *gucho gucho*, she raised a frightened voice 「Hiii !」 and obediently complied with me.

* * * * *

Sleeping together with our sweaty bodies, we kissed a lot.

At first Suzuka was surprised to entwine our tongues in a kiss, but after continuing for a short while she felt good, now she's squirming bashfully while being pinned down by me.

Our heated heavy breathing overlapped, it was the result of us being completely absorbed in the kiss.

She too, unconsciously entwined her tongue with mine.

I can clearly sensed her sweet smell.

Why do women smell good everywhere on her body?

As Suzuka nipple became erect, I touched it.

With that she came back to her senses, her face was dyed with shame, she made a vexing face.

That's the first time I saw her making that face.

Noticing that, I got excited and became erect again.

06 - Sunset

It quickly became Saturday night.

「Is it time we eat rice？」

She's smeared with semen while convulsing her body under me, who's murmuring, while I pinned down her crotch and her eyes' focus point wasn't on me.

After that, I switched and tried out many different positions, which she screamed out hatefully but I suppressed her.

Suzuka painfully reached climax while still cumming, and right before she cum she showed great resistance.

But I didn't let her run as I continued to embrace her, love nectar scattered around from her genital, sometimes, she slackened her urethra and *chororo* a small quantity of urine leaked out when she climaxed.

「Haa...haa...ter、ri.....ble、do、doing...all this」

「I.....even told、naaa ! 、you...to stop...」

Her consciousness isn't completely clear from the earlier violet sex's reverberation, but she seems to be blaming me.

There are marks of my teeth on her huge tits, with her hands being pinned down her genital swelled up with a red color, it's the indication of that violent act.

Since she's completely exhausted from repeated sex that she couldn't even hold the chopsticks, I fed her mouth to mouth.

With the relentless french kisses, her resistance vanished.

After that, I washed her body in the bath, then I changed the bed sheet and the mat that was wet with various kinds of her body fluids, she was put to sleep on a beautiful new bed.

As I was left alone, I recollected all the events that led to this. When I looked at Suzuka's face I was caught into something.

But, as expected I reached the limits of my physical strength so I also went to sleep.

07 - Her heart

My head is throbbing.

What happened?

That's right, I was kidnapped at school, there was a man, then, then...

Uuu...

That's right, that person many times...

This headache is also because of that person...

I remembered that face.

If I'm not mistaken then he's the representative of transfer students at the entrance ceremony.

He's intelligent...

Why would someone like that ?

Uun (No), I've seen him before that.

During middle school

I saw him being led by the hand by my oneechan.

My sister is 2 years older, she's beautiful and kind and is able to do anything, she's my prided sister.

I haven't seen someone more beautiful than oneechan.

That time, when I saw she led him by the hand I didn't feel happy, it was scary.

Because, when she was leading his hand his face was ghastly pale...

I don't understand, him and my sister were 2 years apart, for them to go together

Uun...

Above that, right now I must absolutely run away.

I remember the events happened today.

He sucked my boobs lots, even I begged him to stop he kept having sex with me.

I'm sad that my first time was forcibly snatched away

It's even more sorrowful that I got used to being embraced in his arms.

He had sex with me in embarrassing positions, I who is inexperienced in sexual pleasure easily got played with, it wasn't possible to escape.

When I faced him from below while being poked and bitten in the boob, my pussy spout out embarrassing juice, then he got excited and kept on making me cum.

My head blanked out, I could only circled my arms around his back, clung to him, and endured the pleasures.

He'll keep doing the things of today tomorrow and the day after that, what will happen to me.

Is it really as he said, that I will be drowned into having sex with him.

That can't be, even if I denied like that in my head, knowing he would do that technique to my body, I can't help but become anxious.

08 - Middle school student

Sunday

Suzuka's sleeping quietly on the bed.

When I tried to wake her up the chime in the hallway rang.

It couldn't be helped so I went to the hallway, at the door there was a girl I don't recognize.

「Good morning。 I'm Kaburagi Miyu, a third year student from Some Fusaki middle school.」

The girl who called herself Miyu was wearing a uniform on top of a pair of breasts whose size I could not comprehend, her body was erotic, her face was childish but she seemed like a strong-willed person.

Then, Some Fusaki is my old school.

「What business do you have? 」

「To tell the truth、Tuesday next week my middle school have an event where you listen to an old boy's story of coming from middle school to high school、and certainly、I want to hear Sakimori-san's story、so I came to ask you about this。 」

That reminds me, there's something like that back in my time too.

「Sorry but can you ask someone else ? I'm busy with something. 」

「That can't be、please。 Just a little bit is okay。 Something...」

As the girl was speaking、from inside my room 「Somebody ! Help ! 」 that voice rang out。

Suzuka woke up and saw someone so she cried out for help.

「Wai ! What is it ! The voice just now ! A girl's」

Then、Miyu thrust away past me、and entered my room。 She politely took off her shoes...

「Somebody heeelp ! 」

「I'm coming right away ! 」

Miyu entered the room where Suzuka was tied up.

I shut the door, and locked it with a *clink*.

You have a body this erotic, but you have no sense of danger huh, I thought.

* * * * *

Entering the room Miyu saw Suzuka stark naked while being tied up in shackles.

Then, Suzuka who's calling for help saw a middle school girl entering the room, again, she stopped calling for help and turned pale.

「You...what's happening ! 」

Miyu confidently inquired me.

「This girl's my girlfriend、that's what's happening」

「What are you saying ! She can't move around in this state ! It's a crime no matter how you look at it ! 」

「She likes it like this、this girl、right?」

Suzuka vexingly nodded.

Right now, if Miyu go to the police now, what would I do with her..

Suzuka had no choice but to give an affirmative.

But Miyu

「As expected there's something strange。 I'm reporting this ! 」

She lacks sense of danger.

As Miyu took out her cellphone from her pocket I approached her.

「What are you planning to do ! 」

Miyu severely glared at me.

「Lately middle school students even have cellphones huh。 Well that body is dangerous nowadays so it can't be helped」

Miyu's face turned red. Seems like she does get bothered about her huge tits.

「Wha ! This pervert ! 」

She jumped to slap me, but I grabbed that hand.

I pulled that hand hard and tried to take her to the bathroom.

「No let me go ! 」

But she resisted and shook my hand off.

It couldn't be helped so I carried her on my shoulder.

「Kyaa ! 」

I lifted Miyu up to my shoulder with one hand. Her big tits changed shape as it pressed on my shoulder.

Miyu violently struggled, but I kept going towards that room's door.

「Stop it ! Let that kid go ! 」

Suzuka's shout was heard.

That's right, let's try that in the bathroom.

I decided to enjoy this cheeky child's huge tits and her body.

09 - Bathroom

Putting Miyu down on the bathroom's floor, I rode on her as is.

「Wait ! What are you doing ! No ! 」

She tried to push me and move away, but her strength wasn't sufficient so it was impossible.

She flapped her legs and frantically resisted.

I slid my hand into her skirt, unfastened the hook, pulled down her white panties, and took off her socks.

Then, her secret place with thin hair and her white legs were exposed.

「Nooooo ! Hentai ! Stop it ! 」

Ignoring her I took off her blazer, then unbuttoned her shirt gradually.

「Ahh ! Somebody help ! 」 (TN: Uhh...didn't you do this to yourself?)

Taking off her shirt I also unfastened her bra.

「Noooooo ! 」

I took away her bra, and threw it on the floor. Her huge tits shook *burun*.

Just like that Miyu became naked and glared at me with teary eyes while hiding her nipples with her hands.

「*Sniffle* ! Imma tell mom and dad about you when I get home、the police's gonna catch you ! 」 (TN: Uhh...have you ever thought that he would let you go?)

「Hee、what's it that 'I did to you' ? 」

「That's、you took off my clothes...」 (TN: HAHAHA)

「I see、then what if I do things that you can't even tell your parents ? 」

「*gasp* ! ! 、what's...that ! 」

「If I do things that you can't say with your mouth at all then I'm OK。 」

I stepped away from Miyu, pulled her hand, opened the bathroom door and dragged her in. The moment the door is shut Miyu's scream also stopped, silence fell across the bathroom.

* * * * *
* * *

Dragging Miyu into the bathroom, I immediately hugged her from the front with all my might.

Her shaking tits were squashed with my chest, *gunyuri* they changed shape.

Miyu is soft and warm. It was the best embrace comfort.

「It、It hurts ! Let me go ! 」

She tried to push away from my chest.

Of course I don't intend to let go.

My hand circling around her back gently brushed her ass. This place feels good too. This middle school girl sure has a nice body.

「Noo、where are you touching...hauu ! 」 (TN: And you're feeling it !)

Touching her butt, I reached out my hand to her genital.

I traced her secret crack with my middle finger, and played with the *guni guni* labia.

There Miyu leaked a voice 「Ah ! 」, she shivered, thick sexual fluids dropped down her thigh. (TN: That was sanic fast...)

Her constitution seems to be 'easy to get wet anywhere'.

Miyu put in serious effort to push me away.

I stood as is, raised one of her legs, and the one-leg-standing Miyu tried to keep her balance by placing her hand on my shoulder.

With my empty hand, I stuck it to her dripping wet genital, and rubbed her clitoris with gradual increasing pace.

「Ah ! Ah ! Ah、Nooooooooooooooooooooo ! ! 』

guchyu guchyu guchyu obscene sounds and Miyu's flirty voice resounds the bathroom.

Miyu's legs trembled to the sudden stimulation, and she firmly clung to me.

She doesn't seem to be able to think about the fact that she's pressing her tits on me on her own.

She separated her feet and sunk to the floor girl-style pressing her genital, and began to weep. (TN: Girl-style = seiza, if you watch anime you'll know how JP girls usually sit)

「Uuu、it hurts、why、sniffles、are you doing this ? 』

She sat on the floor covering her crotch with both hands making her huge tits caught in between her arms, it was a figure that emphasizes the breasts.

Miyu didn't realize she was striking a gravure pose. (TN: Google it)

Gulping down my saliva, I went to take the "tool" that's the reason for me to bring Miyu in here and returned to the bathroom.

010 - Miyu

The vibrator has a very simple structure.

Once you looked at the scatter parts you'd understand well enough, the motor inside rotates, the mechanism is that the eccentricity part vibrates.

My past time hobby is remodeling vibrators.

I studied everyday to produce this kind of vibrator whose amplitude of vibration has a higher frequency.

And then, now is the time to test out the results.

I planned to test it on Suzuka today, but this child-face big tits middle school girl appeared. (TN: Nice timing Miyu...)

Anyway I thought I'd try it on this girl for now.

Actually, after the middle school graduation ceremony, I brought a female classmate who confessed to me back to my house, and tested out the vibrator on her for the sake of improving it. (TN: This guy lol)

She was a neat girl, but after 30 seconds she blew a big *bisha bisha* tide, after 1 minute she urinated, and climaxed until she lost consciousness. Then when she woke up, the girl wept while leaving the house.

But, how about this middle school girl, with this vibrator I'm looking forward to what kind of face would she show me.

* * * * *

When I came back to the bathroom Miyu widened her eyes when she saw the thing I was holding.

「Wh、What's that ! 」

「This thing's being pushed onto your genital right now。 It's fine even if you wet yourself since I went out of my way and brought you to the bathroom.

I grasped Miyu's hand tightly and drew her towards me. I threw her down to the floor and opened her legs wide.

「Hiii ! 」

Her pink colored secret place opened a little to match the opened legs.

In order not to let Miyu shut her legs tightly, I pressed the vibrator onto her genital.

「Stooooop、Lemme go alreadyyyyy ! 」

I pressed the switch.

* * * * *

He carried the middle school girl on his shoulder, and left the room a moment ago.

First I heard voices, but now he shut the door so I can't hear anything.

But, just now I heard the girl shriek of death agony.

It's my fault for yelling for help, now that girl is... (TN: Yup. Totally your fault.)

Her shrieks gradually grew smaller, now I can't hear it anymore.

And I have heard it again a little at a certain interval.

And it repeated many times.

I wonder what's happening on the other side. It was not a "somebody else's problem" at all.

* * * * *

「Aaa、is it over」

Miyu's consciousness flew away when I sucked *chyupa chyupa* on her tits, now I'm observing her.

Miyu's love nectar is scattered here and there, this narrow space was filled with woman's odor.

With her legs still wide spread, a transparent liquid *pushuppushu* blew out from Miyu's crotch.

Syrupy love nectar continued to spill from her repeatedly opening and closing genital, Miyu lied down *beshari* onto the puddle of liquid she made herself.

Her eyes are opening, but those pupils reflected nothing.

After I pushed the switch of the remodeled vibrator, I got an erection from Miyu's foolishness, I applied my penis to the crotch of the unconscious Miyu, I sucked *chuu* on her big nipple while inserting.

Miyu was a virgin.

011 - Disorder

Miyu's insides become hot and syrupy.

She who kept being woken up continued to blow tides, doro she continued to discharge love nectar.

As a result of that, I can't think of this as a virgin hole anymore as it melted completely, it accepted my penis without problem.

Lying on top of the puddle of liquid she made, Miyu back made gucho gucho sounds as I vigorously piston into her.

Her huge tits rocked up and down every single time.

While sucking her breast from various directions I increased my piston to advance towards ejaculation.

「N、nn...」

With that Miyu woke up.

But, she only gasped "ahn ahn" without any resistance.

Seems like she's not fully conscious yet.

I hugged her slimy body tightly and vigorously thrust into her depth, then ejaculated.

Still half-asleep she seemed to felt the byuru byuru ejaculation inside her, her body writhed.

I let go of Miyu after ejaculation. Then Miyu fell besha into the puddle of love nectar.

Then I brought the camera and took pictures of that figure. (1. Burakku meru ga kitaa)

* * * * *

With a gacha sound he carried a naked girl under his armpit and returned.

But she didn't have the uniform she wore earlier on, her body was flushed and she was gasping hot breaths.

Her consciousness seemed hazy.

When I took a look to see if she's okay, I saw the girl trembling bururu under his arm. (2. Wow...you're 75% at fault for that ya know, Suzuka?)

Then I saw semen spilling from her crotch.

He threw the girl on the bed and left the room for a moment.

She was in the same state as me yesterday, the smell of sweat, love nectar, urine and semen drifted, her whole body was sticky. (3. And I believe you're up next)

Seems like the reverberation of his conducts is still remaining, sometimes, she leaked a seductive voice.

「Aa...no...that's cruel...」

It's more than clear enough what has been done to her.

012 - Her hell

I went into the bathroom, the purpose is Miyu's cellphone.

In the bathroom, the uniform and underwear I stripped from her scattered around.

Because there's a possibility that the uniform gets stained with the smell, I left it in another room.

I felt around the pockets and found her cellphone.

I was right, there was a message, from her mother.

The time is 1 PM.

『It's already passed lunch, where are you now. Did you eat anything?』

...is what she said.

I ate outside with friends, I'm staying at my friend's house today so don't worry, I faked a mail from Miyu like that and sent.

I also did confirm that a similar mail was sent by Miyu in the past.

This is not the first time she sleeps over, 『After this』 it would become less suspicious.

I'm not sending Miyu home today[1. Of course...of course...].

I'll thoroughly enjoy that girl's body.

* * * * *

He came back into the room.

Then

「The middle school girl became all sticky but、don't you wanna know what happened to her ? 」[2. Thus the brainwash begins...]

...is what he said.

It's my fault that the girl went through terrible things[3. Wow, you know that?], I thought I want to through the same thing to make up for her, so I nodded.[4. Wow again, you're devoted...]

Then, he broadly grinned, he unfastened the chains on me.

Then he carried the girl on the bed under his armpit and moved her for some reasons.

* * * * *

While he walked along the hallway the girl’s consciousness came back.

Then,

「Nooooooooo ! Stop thaaaaaaaaaaaaaaaaaat ! Let me gooo ! ! 」

...she struggled violently under his arm to escape.

But, after having sex with him her legs couldn’t stand, she crawled to escape but, she quickly got recaptured, he carried her on his shoulder.

Looking at her unusual state I also recalled my fear.

Arriving at the bathroom, he used the shackles to tie me up to the washing machine so I can’t run.

I thought something was certainly done in the bathroom.

But he carried the girl on his back.

「Eh ? What does this mean ? 」

I heard so.

「Oi Miyu ! This onee-san seems to wanna know what we did in here earlier、let's show her the same thing again」[5. GG]

He said.

Then the girl called Miyu

「Such things...at least、I don't want to be seen by other people...」

She said so feebly.

「If it's embarrassing then I'll shut the door」

Saying so he shut the door of the bathroom. Through the glass of that door, I saw the silhouette of two people.

「Wait ! That's not it、That's not what I meant ! 」

My words weren't heard.

I sank down to the cold floor, looking at the silhouette of the opposite side, the girl named Miyu was pushed down, her legs were spread widely towards this direction.

Then, he took out something and applied it to Miyu-chan's crotch. I don't know what is it, but Miyu chan shook her head left and right repeatedly.

Then

Viin ! ! ! ! !

I heard the noises of a motor. At the same time with that sound, Miyu-
chan's shriek could be heard.

While screaming, her hips bounced up and down repeatedly. Then from her wide open crotch something soared out bicha bicha, it hit the glass door.

After a short while the motor stopped, Miyu-chan's shoulder shook greatly as she gasped for breath.

Then, when her breathing calmed down a bit, the motor sounded again together with her shriek, something flew into the glass door again.

It repeated many times.

Miyu-chan finally collapsed to the ground.

Then the bathroom's door opened.

From the bathroom various kinds of thick smell coming from the girl drifted.

Then, the bathroom that should've been dry was filled with liquid scattered around, there are also liquid dropping from the ceiling.[6. What...!? Ceiling?] Under Miyu-chan's butt was doro a puddle of white liquid , it stretched from her butt. Even now it kept flowing out from Miyu-chan's crotch.

I couldn't say anything at the bizarre spectacle.

Then, from the hallway I understood Miyu-chan's panicked state.

It was indeed hell on the opposite side of the door for Miyu-chan.

For some reasons, something like a hand-held massage machine was there with a stickily wet string on it, that string came from Miyu-chan's crotch earlier, it soon got cut.

He suddenly approached Miyu-chan, and violently opened her crotch and inserted his penis. Entering the penis, a white liquid doro gushed out from her genital, his piston made indecent sounds.

As Miyu-chan didn't react to the penis going in and out her, he did whatever he pleases and violated her.

But, whenever he ejaculated inside her she raised a small voice 「Ah」, and she made one final breath like someone going to sleep.

013 - Game

I stuck to the huge tits of Miyu, who got wet with various kinds of body fluids, and sucked it leaving a kiss mark.

I lifted the figure of Miyu that's lying face up in the center of the bathroom, raising her up from the floor chaa a stream of semen flowed out from her bottom. I dragged her as is, and left her at the corner of the bathroom.

Earlier, seems like Suzuka resolved herself to go through the same thing to Miyu, but upon seeing the figure of her when Miyu splashed tides, leaked urine and discharged syrupy love nectar, she shuddered.

I welcomed Suzuka into the bathroom[1. GG...that's game].

I untied her from the washing machine and removed the shackles, once again freed both her hands, but she no longer had the will to resist.

I led her into the bathroom by the hand, and brought her to the exact same place where Miyu was earlier. Then I made a proposal to Suzuka.

「From now、you'll be going through the same thing with Miyu earlier。 But you'd have to still be standing after 20 minutes no matter what is done to you。 If you can still stand after that it's your win。 If you win I'll release Miyu and send her home。 」

「U、Understood。 But、 what if I lose ? 」

「Then the match is decided、 tonight's gonna be a long night for Miyu」

「gasps ! ! 、 no way ! ? 」[2. Nai wa~]

「If you lose then Miyu's going to take your night shift、 I'll be embracing her。 」

「gasps ! ! But、 if I can stand...after 20 minutes...then Miyu-chan can go home...」

Seems like she prepared herself.

「Alright、 then it's decided。 Let's dive straight in。 」

I picked up the remodeled vibrator I used on Miyu earlier from the floor. The vibrator was shining with various kinds of wet juice from Miyu.

「What is that ? 」

Suzuka asked.

「Ah、 it's a toy that Miyu likes very much。 You'll come to like it quickly too。 」

I put a waterproof clock where Suzuka can see, went around Suzuka's

back, and opened her legs a little.

OOOKAY, let's start ! As the same time I made that signal, I pressed the vibrator on Suzuka's crotch, the switched was flipped.

Viiiiiiiiiiiiiiiiiiiiiiiiiiiiiiiiiiin

Together with that noise, Suzuka's body turned into the shape of letter 「<」, iyaaaaaa she screamed while crumbling down to her knees.

But I didn't let her get to the floor as I held her naked body and supported her.[2.Wow man...you're so...considerate...]

Normally the match would've been decided there, but I forcibly made it continue.

Having the vibrator pressed against her Suzuka's crotch blew a tide, with the powerful vibration, her legs trembled.

The flirty voice iyaaaaa of Suzuka resounds the bathroom, she's in the same state with Miyu earlier.

After the spouting of liquid weakened down, Suzuka's shoulders trembled buru, this time she pee'd.

「This can't be ! Nooo、stop iiit ! 」

That voice was left in vain, chorochooro urine streamed down her legs.

Miyu pee'd at the same time with cumming, but Suzuka's different. This new discovery is interesting.

Then with my support she pushed out her hips guigui several times as she climaxed, love nectar drops fell to the floor potapota.

I turned off the vibrator, and turned Suzuka around, I lifted and spread one of her legs, then put my penis in. Her intravaginal was extremely wet, I began to thrust panpan with a fast pace. This is one of Suzuka's hated positions, seems like it's because she's able to feel it in this pose, yesterday when i ejaculated her body trembled over and over again.

Today Suzuka's insides is drowsy because of the remodeled vibrator, so she doesn't seem to feel it as much as yesterday.

Love nectar trickled potopoto down from where we were connected, her tits rocked up and down, she raised a voice 「Aaaa ! 」 near my ears, she's trying to endure the increasing pleasure.

18 minutes later.

A womanly smell boiled from Suzuka's body, her body project hot steam-like vapor. Right now her insides shrink after every single thrust, seems like she's repeatedly getting a light orgasm. I came inside her as is, at exactly 19 minute mark, I let go of her body.

Suzuka's body became wholly flushed after having sex with me, her white skin turned faintly red. Then when I let her go she didn't have any support anymore, her legs trembled to struggle keeping her balance. She seems to want to release Miyu no matter what.

But, when there's 30 seconds left, I picked up the vibrator, viiiiiiin I

turned it on and slowly brought it to Suzuka's crotch as she stood there.
[3. This guy is an Oni lmao]

「Dooooooooon't ! 」 I ignored her shriek, I place the vibrator on her clitoris and Suzuka's whole body trembled, bicha she fell into Miyu's puddle of liquid on her butt.

「That's regrettable。 Just a little bit more」

I played dumb.

In fact, the match's already ended when we started, but I supported Suzuka personally and slowly enjoyed it.

Suzuka sat on top of Miyu's liquid puddle and shook her shoulder weeping.

Getting into a match, 20 minutes passed, got played with however I pleased, she also couldn't save Miyu so it's understandable.

「Now then、I'll be giving Miyu a lot of affection tonight」

Saying so I walked towards Miyu

Being woken up Miyu was so scared she leaked and pee'd.

014 - Miyu's flavor

After washing Suzuka's body I tied her up again in the dressing space, after that it's just me and Miyu left in the bathroom.

I didn't use a sponge on Miyu's body, using body soap I washed my own body.

But, Miyu doesn't really understand the meaning of my intention, so I spilled body soap onto her huge tits' cleavage, I grabbed her tits with both hands and guni guni stirred them to mix the soap.

Then, I hugged Miyu and slid her breast up and down my chest.

Nurunuru the slimy feeling of her nipples and skin was nice, I could clearly feel her warmth.

I washed my whole body in this way, her face turned bright red in rejection.

From there, I took the wet and shiny remodeled vibrator into my hand.

Then Miyu

「Nooo ! ! ! I understand ! I'll do it、I'll do it so please ! 」

...said so and drew closer to me.

This seems to be the answer.

Miyu started washing my body with inexperienced movements.

But, no matter how much time has passed Miyu kept doing one type of washing so I ran out of patience, and pushed her down to the floor.

I spread body soap onto the stiffened Miyu, due to being surprised, and I slimily glide my hand around Miyu's whole body.

Then Miyu's body got goosebumps.

I was only holding her in my arms, but there seems to still be resistance to touching.

But then, that fresh reaction will only go as far as tonight but...

I used my hand to spread the soap to every single corner of her body.

Especially, I massaged her tits while embracing her, they swung around

burun burun, and persistently pinched her nipples using my fingers.

Since Miyu hated her tits being massaged and sucked, she's terribly aroused by being inflicted pain.

Of course, I also stretched my hand to her crotch, Miyu shut her legs but I didn't mind it and forced my hand through, starting from where the thin pubic hair grow, gliding on top of the labia, stroking her anus and also her buttocks, I made many round trips around those places.

「Waaait ! Nooo、wait ! Stop your haaaand ! 」

Said Miyu while shutting her legs fidgeting her thighs.

I took my hand out of her crotch, I sniffed my hand and found the familiar odor of Miyu's love juice.

I stuck out my tongue and licked my finger to taste Miyu's flavor. Realizing the meaning of me licking my finger, Miyu blushed, and averted her eyes.

The scene was obscene, I made Miyu put her legs into M-shape.

Then, I showered only her crotch, washed away the body soap, and peropero licked Miyu's beautiful genital.

She covered her face with both hands, her ears were bright red. (TN: I might sound like a criminal here but this looks kinda cute lmao)

I stuck to her clit, and gently licked with my tongue, then from the easy to get wet Miyu's crotch, torotoro syrupy love juice quickly came out.

「っ ! I don't want to ! But why I still...」

She bit her lips vexingly as she showed an expression of her body acting against her will.

Then, I covered her slit with my mouth, chuuchuu and sucked up her love juice.

Then Miyu

「Aaan ! Stop it ! Don't chuuchuu drink my juice ! 」

...said so, she shut her legs from the M-shape, and held my head tightly in between her legs.

I got excited from Miyu's reaction, I continued to chuuchuu strongly suck up Miyu's love juice and drank it.

After I got enough

Miyu got cold feet, and weakened her grasped on my head, doro her thick juice was streaming so I drank it up.

I finally separated my mouth, Miyu went completely limp, her pussy repeatedly hikuhiku opened and closed.

I licked around my mouth, 「Thanks for the meal」 is what I said to the weeping Miyu.

* * * * *

By the time I left the bathroom to eat, it was 8 PM on the clock.

Miyu's night still has a long way to go.

015 - Miyu's long night

I led Suzuka and Miyu back into the usual room.

Then, Suzuka said she wants another chance.

「Please。 Don't do Miyu-chan too much...」

She was noisy so I tied Suzuka up on the bed, after that I went into the adjacent room to do business.

I pulled Miyu by the hand forcefully. Then,

「Please ! Don't do 『that』 anymore ! I can't bear that anymore ! T、Touching my boobs is okay too、 so please don't do the other thing ! 」

Miyu seemed to thought that I'd bring her into the bathroom again and used both her hands to lift her big tits invitingly, and begged.

Seeing the gap compared to this morning made me excited, my penis twitched in response.

「That's up to my mood、 tonight、 if you're obedient to me、 then I'll spare you the bathroom、 and send you home tomorrow。 」

A tiny light was seen in Miyu's despaired eyes.

「Re、Really？」

「Yeah、I'm not taking you to the bathroom anymore、however、all night tonight、I'll embrace you。」

「But then、If you don't do 『that』 anymore then...。」

「Now follow me。」

Saying so, I left the room with Miyu

「Wait ! Miyu-chan ! Don't go ! 」

Suzuka tried to detain Miyu.

「With this、I'll be fine」

Saying so, Miyu left the room with me

* * * * *

Inside the adjacent room, there was one single-sized bed and besides there's nothing in here. But, this room in the past, was built as a piano room, the soundproof in here is tight.

Entering the room, I gave Miyu an order.

Absolutely not to run away from this room.

If she follows this order, I clearly promised to at least not use the vibrator on her in the bathroom.

Then I pushed Miyu down on the bed.

Exactly 9 hours of hell

* * * * *

It's 3AM midnight.

The room fell into silence.

I'm worried if Miyu-chan is alright.

I tried listening carefully, but I couldn't hear Miyu-chan's shriek like this morning.

I'm probably overthinking this, I thought so and relaxed my mind to sleep, but then there was a giii sound from the door.

Then what I saw surprised me.

Miyu-chan with a soaked wet naked body entered the room.

It was like she was on a marathon run or something, she was breathing roughly “haa haa”.

「Help meeee ! I’m going to dieeee ! ! If it keeps up like this I’ll dieeee ! 」

Sweat was rising on her face and fell down to the floor.

「What happened ! Miyu-chan ? ! 」

I became anxious of the awfully disordered Miyu-chan.

「Onii-san said、not to leave、the room、but I’m、already at my limits ! 」

I was late on noticing Miyu-chan sweating, but there’s white liquid dropping from Miyu-chan’s crotch, as she walked she wet the floor. It was semen.

「The whoooooole time ! He did that the whoooooole time ! 」

Don’t tell me、they had sex for 6 hours straight ?

Isn’t she still just in middle school ?

There was a shadow behind her

「Aaah、breaking a promise makes you a bad girl」

Miyu-chan raised a voice 「Hii」 and crawled on all four towards me to escape.

But, he caught her ankle, and he's not letting go.

「I'm sorry I'm sorry I'm sorry ! ! I'm sorry I ran ! ! But ! I can't anymore ! It's my limiiiiits ! 」

Miyu-chan begged frantically.

「Didn't your parents teach you not to break a promise、kaaa ! 」

Bachiin ! Bachiin ! He spanked Miyu-chan's butt.

「But still ! It's all night loooooong ! 」

Her butt swelled up with a red color, then he flipped Miyu-chan over facing her up spread her legs and inserted his penis.

With incredible piston speed, Miyu-chan's body shook with sweat, her huge tits rocked burun burun.

Then when he drew closer to her boobs I thought he'd lick it gently but he bit her nipple.

「It huuuuuurts ! Don't bite my tiiiiiiiiits ! 」

Miyu-chan's shriek resounds.

Miyu-chan's nipple seemed to have blood drained from it as there were toothmarks on it.

He buried his face into her cleavage, and once again sped up the piston.

「Aaaaaaaa !」raising a voice drools leaked out from Miyu-chan's mouth。

He pulled out one last big time, then vigorously thrust back into Miyu-chan to ejaculate. Miyu-chan trembled buruburu, 「Stop doing it insiiiiiiiide !」she shouted。

Pulling his penis out, hot steam rose from Miyu-chan's crotch, hikuhiku her genital shook and oozed out semen.

I thought it was over, but he didn't let Miyu-chan sleep.

「You became a baby ? I see, then I'll scrape it out of you。」

Saying so he held his middlefinger and ringfinger out, he drew closer and put them in Miyu-chan's vagina.

Then inside Miyu-chan, he moved his fingers violently to scrape out the semen.

「That huuuuuuurts ! Stooooooooop ! 」

Shouting so, not just semen flowed out from Miyu-chan's genital, a transparent liquid also pyupyu spouted out, it spread out on the floor.

Taking his fingers out, this time he turned Miyu-chan over facing down, then clung to her rear, then inserted his penis the second time.

The pause didn't last long, he began to piston violently.

Miyu-chan butt and his hips banged together creating a sound pan pan.

「Deeeep ! That's too deeeep ! My woooooomb ! It's going to enter my woooooomb ! 」

Despite Miyu-chan shouting so he kept only silently inserting.

「I'm gonna dieeeeeee ! 」

Shrieking so Miyu-chan's body trembled.

If it's like this then death would be more comfortable for Miyu-chan wouldn't it, was what I thought but he was merciless.

After striking her butts a few more times, Miyu-chan was turned sideways, one of her legs were held up, then he spread her other leg and

got in between Miyu-chan's legs and inserted his penis.

「Now that I remember about the promise、if you blew it what would happen、do you remember？」

While pistoning he said with a low voice.

「gasps！！I'm sorryyy！But, but my pussy is impossible alreadyyyy」

「The bathroom、let's go there、『Kaburagi Miyu-chan』」

「Noooooooooooooooooooooooooooo！！」

Pulling his penis out he carried Miyu-chan princess-style.

Miyu-chan also struggled to run away, but he sucked chuu chuu on her nipple

「Aaan」she raise a voice, her nipple was sucked while herself being carried into the room.

016 - Punishment

「Aaaan ! Stop sucking my boobbs ! There's no milk ! 」

In my arms Miyu's tits were sucked chuu chuu while I walked.

In entered the door next to the room where Suzuka is.

Earlier me and Miyu had sex in a soundproof room.

It remained as is since Miyu ran away.

The obscene smell of Miyu was there, the bed placed in the center of the room was, no matter how far you stand you'll still understand that it was soaked wet.

On this bed, Miyu became soaked with sweat while I embraced her, she couldn't bear the violent piston, she leaked urine, I ejaculated nonstop in her vagina.

Miyu ran without thinking about the consequences, so I'll hunt her violently in this room.

Seeing the bed, Miyu trembled.

「Later on、we'll have sex in this room。 I'll give you lots of love」

I lifted her tits and licked the sweat.

「Not anymooooore ! Stop with seeeeeeeex ! 」

I held Miyu real tight and went to the bathroom.

* * * * *

Being taken into the bathroom Miyu-chan's shriek could be heard.

That time, I fell down in the bathroom...

When I thought about it, it's impossible no matter how you look at it.

She'll definitely not be able to bear that.

I listened carefully and heard shrieks together with the motor.

Poor Miyu-chan.[1. Wait...why does this sound so hypocrite?]

Miyu-chan had sex with him somewhere in a different room, she was done so much to the degree of that much sweating, seemed like she couldn't bear anymore and ran away.

But, she's suffering the punishment for running and her shrieks could be heard.

Even after this punishment, Miyu-chan would still have to have sex with him til morning.

Miyu-chan's shriek was paused, the bathroom's door seemed to opened.

There were footsteps of one person, he was carrying Miyu-chan under his arm.

* * * * *

Using the remodeled vibrator on Miyu in the bathroom, she lost consciousness to the torment, after that I carried Miyu under my arm back to the room.

Thick love juice was dropping doro from Miyu's crotch, her body felt hot and flushed.

I got excited because of Miyu's unladylike appearance, I immediately want to quickly have sex with her.

Just as I arrived at the room, I put Miyu on the bed, and quickly spread her legs.

Right when her legs were spread thick love juice dripped out.

I used my finger to scoop that juice and tasted it, my penis reacted and became stiffened by her taste.

Then I aimed at Miyu's hole and screwed myself in.

Miyu's inside still kept its heat like during daytime, the guchogucho feelings were the best.

From here on I want to 『prepare』 Miyu's body in the bathroom before embracing her in here.

(TN: これから家でミユを抱くときは風呂場でミユの身体を『準備』してからにしたい。)

Miyu resisted violently, but I took her along with all my might.

If you noticed, I seemed to have intended to embrace Miyu from now on.

These huge tits and this good body I'll fully please myself with them.

I hugged Miyu's hot body tightly, I put her large nipples into my mouth and crawled my tongue over it lots.

Miyu leaked a voice 「uun...」. She'll wake up soon it seems.

I held Miyu tightly in my arms so that she wouldn't escape, the genuine

piston began.

017 - End of the night

「Let me goooooooooo ! 」

It was a funny feeling when Miyu woke up.

I began my piston movements, Miyu's skin quickly became moistened with sweat, Miyu's easy to get wet down there, but she's also quite a sweater.

I hugged her sweaty body tightly, since she's lying face up her beautiful tits were smashed and stretched.

I roughly pried into her vagina after piston movements and Miyu legs stretched out piin while she floated her body up.

Then, to not let the piston being done she interposed her legs to my body solidly.

Her soft legs coiled around me, and tightened really hard.

My piston was stopped, but my penis plunged deeper into Miyu, the tip reached the crunchy uterus entrance.

「Then how about this ? 」

I moved my hips up and down to rub into her womb.

「Hyaaaaa ! That's no goooooood ! 」

As Miyu put more strength into her legs and pinned me, my penis entered even deeper inside her. (TN: Like, how deep? Isn't in into her stomach already?)

「Cummmmmmmmming ! 」

I kept on moving my hips to rub her, Miyu's vaginal insides shrunk gakyuuuu. Then her body twitched bikun bikun while sweating.

While Miyu trembled in sweat I vigorously pulled my penis out, Miyu chororo leaked herself a little.

The muscles in Miyu's crotch was loosened since hours ago.

I brought Miyu up, and lifted one of her legs when she's on all fours, I made her into something like a peeing pose of a dog.

I tested out many positions with Miyu, but she feels this one the most.

「Nooo、not this position ! 」

「Liar、this posture felt good didn't it ? 」

As my penis entered her body bent back, a twitching reaction.

「Aa ! Wait、no good no good ! Don't move ! My head's going blaaaaaank ! 」

「Hora、feel good to your heart's content ! 」

As I started my piston Miyu bishaaa pee'd vigorously.

I did her til morning in this posture.

* * * * *

Morning light peeked through the curtain.

I lowered Miyu's leg and pulled my penis out while raising myself up.

The moment I pulled out, Miyu fell to the bed.

I also reached my physical limit, and buried my face into Miyu's butt to sleep.

018 - Miyu's first love

I woke up at the coldness.

My body is sweaty, the bed is wet.

It's 5 AM

I felt something heavy on my butt and turned my head, Sakimori-san was sleeping burying his face into my butt.

Since moving would wake him up, so I decided to stay still for a while.

This person, he did terrible things to me yesterday, yet I don't feel too much hatred. (TN: Hahaha. Let the bullshit begin)

Rather, deep down in my heart I felt calm being with him if I relaxed. (TN: Let's count this. 2 bullshits)

Sakimori-san did my body many times since yesterday.

This person likes these huge breasts that I hated, he sucked and buried his face into them countless times.

He also hugged me tight, and kissed me a lot...

Even if I was such a sweater while having sex and became soaked he didn't show a hateful face, it's the same with when I pee'd, he just kept on doing me.

In the bathroom I also had a horrible appearance, yet he embraced me even more.

My...lo, love juice too he drank a lot...

When I think about it again this person have accepted everything of me, it feels rather sweet. (TN: How many bullshits have it been? lmao)

Sex is something performed when there's mutual love.

This might perhaps be just a misunderstanding after we piled out bodies countless times.

This person raped me.

I didn't hand over my life to this person.

But, this feeling is unmistakable my first love. (TN: Omg hahaha.)

* * * * *

I opened my eyes and my face was still buried in Miyu's butt.

It was soft so I had a pleasant sleep.

Miyu's already awake and she's looking at me. Somehow, the atmosphere around Miyu was different before I went to sleep.

I lied on Miyu's lap and rubbed her nipple. Then chewed on her nipple again

「An♡」(TN: NOW THERE'S A FUCKING HEART IN THERE)

Miyu writhed.

I'll send Miyu home today, before that I have to seal her mouth with the pictures of her in the bathroom.

While I was thinking such things for some reasons she pressed her tits against me.

I licked it once, and then decided to take Miyu to the bathroom.

I didn't say anything and stood up pulling her hand, then led her into the bathroom.

I felt uneasy that Miyu didn't resist.

If it's in the bathroom then there should be Miyu's trauma but...

Certainly there's something strange. (TN: "Yahari Lululie wa okashii"
hoho~)

019 - Kiss

I was worried about Miyu-chan that I couldn't sleep.

Now I can hear the creaking sounds of the bed.

After bringing Miyu-chan into the adjacent room the creaking sounds and Miyu-chan's voice were matching, it seems like he's vigorously poking her.

Thinking that this is because of me, Miyu-chan's shrieks make my heart throb.

I lost to a gamble with him in the bathroom, because I wanted to quickly send Miyu-chan home, but he ended up doing as he pleases with her all night.

She didn't do anything wrong and yet...

Then, I think Miyu-chan's hell continued until morning. (TN: Yeah...and she's in love too by the way)

But, her voice earlier had unconcealed colors of pleasures.

He violated her despite her being just a middle school student, seems like she's got used to having sex.

She raised a scream of joy as if having a feverish dream.

Hearing that voice, I recalled about myself a few days ago.

He also thoroughly embraced me, and made me cum countless times.

This time, he embraced Miyu-chan, who has slightly bigger tits than me, more vigorously while rubbing her breasts didn't he.

Yesterday he didn't do it with me even once. (TN: Okay okay...she's getting to it)

My body became extremely hot.

The day before, my body was aching all over because of the recoil of countless times of cumming.

『That place』 got a little moist, my heart is going badump badump.

I've never done such dreadful things like masturbating.

But, I can't endure my abdomen feeling itchy, I finally extended my hand to my crotch.

Right now Miyu-chan is gasping for pleasant breaths, her voice almost turned to flirty.

* * * * *

I entered the bathroom with Miyu.

Just like yesterday I made Miyu’s body slimy with the body soap, and had her use her tits to wash my body.

For some reasons Miyu’s face is way redder than yesterday because of embarrassment.

I thought that as one would expected, this is not possible, but Miyu nodded and pressed her slimy tits on my back and started moving.

Honestly, I didn’t think Miyu would really do it.

This child-faced big tits girl gives off the impression of a serious person, she can’t be a lewd child, or so is my analysis. (TN: Apparently your analysis didn’t include Stockholm)

But, what became of her that Miyu is so obedient this morning.

Perhaps, she’s too scared of me isn’t she

If the things I did to her was that terrible then she would’ve turned obedient since the beginning

The obedient Miyu is cute.

I reached out for Miyu's crotch, and traced her clitoris with my finger.

「Hyaa ! 」

Miyu was surprised, and drew her hips back.

「I'll do you one last time」

I faced Miyu from the front, lifted one of her legs, I didn't spread her legs and kept her in letter Y position for balance.

I hugged her tightly and kissed her.

Then Miyu trembled buruburu, love juice ran along her thigh.

Seems like it's already ready for insertion. Miyu's originally an easy-to-get-wet child, but yesterday she didn't get this wet just by kissing.

I inserted while kissing. Then began to vigorously piston.

「Nnnnuu ! 」

「It'll end soon」

Pan pan pan

I grabbed Miyu's ass with all my might and she convulsed, I kept on slapping my hips into her with a piston movement

As I quickly got excited I ejaculated as if spitting into Miyu's insides.

「Nmuuuuuuu !」

With her mouth being block by the kiss, Miyu raise a wordless voice trembling.

I pulled my penis out after finishing and let her body go, Miyu crumbled down to the floor gasping for breaths.

The sloppy Miyu who got done had a red face, she extended her fingers to touch her lips.

Probably she's shock that I stole her lips

I did that countless times yesterday already, and you're just being shock now?

020 - A cold

To send Miyu home, I picked up her uniform from a separate room

Putting together her uniform and meal I obtained Miyu's contact info from her cellphone

Then, I also need to take Suzuka's contact info so I grabbed her cellphone

The standby screen was displayed

There was a picture of two girls

One is definitely Suzuka

The other one was a beauty with the same eyes with Suzuka.

She smiled gently towards the camera

「This...unbelievable」 (TN: ONEE-SAAAAN GA KITAAA)

That is a person I know

Why does Suzuka have a picture taken with this person?

Why do their faces resemble?

When I think about that, I noticed that my body is in bad condition

My head hurts

I felt chills

That reminds me I slept on Miyu's sweat, urine and love juice today.

「I got a cold huh...」

Heck it's pretty bad, it's probably because I had sex with Miyu in a dash that it accelerated the symptoms.

I leaned against the wall feeling dizzy

I haven't threatened Miyu with her pictures in the bathroom yet

If I just go to sleep like this, Miyu's going to help Suzuka escape

If that happens then it's the end of me

But my body is at limit

I only need to rest 15 minutes

I set the alarm on my phone, and went to sleep for a bit.

* * * * *
*

There’s a wet towel on my forehead.

The cool sensation feels good.

When I came to my senses I was lying on the bed where I had sex with Miyu.

But the sheet and the mat were dried and the futon was hung up

And there’s someone looking at my face

It was Miyu

Seems like she somehow carried me into this bed, and let me sleep

But it was supposed to be troublesome for her body to carry me

I don’t understand anything

Why is Miyu still in this room?

More than that why is she nursing me?

Miyu noticed me waking up

「How are you feeling ? 」

「My head hurts、it's cold too」

「I'll take your temperature」

Saying so Miyu brought her hand from my neck and put the medical thermometer into my armpit

「Do you want a drink ? 」

Why is her face red while asking that

「Yeah、my throat is dry」

Then Miyu opened the cap of a PET bottle and tasted it herself

Then she fed me water mouth-to-mouth with a kiss.

Last night when Miyu was soaked in sweat and got dehydrated, I fed

her water this same way.

Midway of doing this Miyu seemed to be happy.

「Do want to drink some more ? 」

「Yeah、I do」

When I said so, Miyu blushed bright red and nodded, she drank the water once again.

Nku nku

She glued her mouth to me bchuu without spilling the water.

As I drank Miyu had a happy face.

「Do you perhaps、like me ? 」

Nods

Miyu affirmed.

021 - Anticipation

「That reminds me what about Suzuka ? 」

「Ah、if it's about that person then...」

As Miyu said so Suzuka entered the room.

But, Suzuka seemed to have told Miyu not to tell anyone about the incident this time around.

When Suzuka's incident becomes clear, the things about Miyu getting violated by me would also reach her family.

Suzuka promised to not tell anyone.

「So don't worry and take your time resting ne~」

「Yeah...right...」

The girl who I raped until this morning is now nursing me. (TN: Pffft)

What a strange situation this is.

But, this is the best thing one could ask for.

It saves me the time to threaten Miyu and Suzuka.

In summary Miyu has turned to like me.

Listening to her story, it seems like Miyu isn't mistaking.

I've been violating Miyu many times since yesterday.

Then, she didn't recognize the fact that a person she met for the first time violated her many times, and got under the impression that I'm her loved one, then her mind turns to accept having sex on her own, that was what I thought.

Finally yesterday when this virgin middle school girl was forced to have sex being covered in sweat till morning, and she couldn't accept the fact that I made her cum repeatedly.

...

「Ano...so、sono...are you not cold？」

Miyu face turned red while she tried to asked hesitantly.

I answered guessing Miyu's intention.

「It's cold。 You warm me up」

Miyu got into the futon.

「Hey、 did you contact your house？」

「Yes、 I called and said I'll also be staying at a friend's house today」

「Wasn't it suspicious？」

「Mama asked which friend so I gave out a friend's name」

「Is that fine...」

「It's fine。 I kind of arranged it beforehand with the person」

Miyu said it's fine, but as one would expect, it's suspicious to her parents that she went out 2 days consecutively.

But, they have not the slightest bit of imagination that their loved daughter got raped and fell in love with the rapist himself.

「I'll sleep again today」

I buried my face into Miyu's tits and sniffed her scent

「An、onii-san...」

The milk-like delicious smell of a girl spread in my nasal cavity.

Sniffing this smell makes my heart pound, this is probably a man's instinct.

「If my physical condition gets better I'll embrace you lots」

「っ！！」

Miyu fidgeted her thighs mojimoji. Don't tell me she got wet with just those words... (TN: LMAO)

I thought of checking it, but assuming that she's wet, I'll have to put an end to her desire won't I. But my physical condition isn't good now.

It couldn't be helped so I went to sleep.

「Oyasuminasai」 (TN: It's more cute keeping the romaji, it basically means 'sleep well')

Miyu murmured

I hugged Miyu while sleeping.

* * * * *

「Haa...haa...aaaaaaaaaaaaaan ! 」

Keeping my words from yesterday, I'm doing Miyu.

The sides of Miyu's crotch is already stained with lots of love juice.

「Do you know what position is this ? 」

「I、I idon't kn...aan♡...you're sucking my boob again...」

「Kukuku、This iiiis、the Mating Press you see ! 」

As Miyu floated her body from the bed greatly I poked in my penis

「Aaaaa ! W、Waaaait ! I'm leakiiiiiiing ! 」 (TN: Do you remember when she struggled? I don't either)

「Oraa、leak it out ! ! 」

「Noooo ! Dooooooooooooooooon't ! 」

Jorororo

Miyu's urine hit my abdomen, the bed got wet.

「This is just the beginning ! 」

After a very short break I continued my piston.

I licked her areola while moving my hips in high speed.

「Ann ! Ann ! That、it feels good ! ! 」 (TN: Okay.....I can just laugh right now)

I crawled my tongue from her areola and licked her nape, then stole Miyu's lips.

As I kissed her Miyu's vagina overflowed love juice.

Miyu might actually was serious when she said she likes me.

As we twined our tongues while I piston, Miyu clung tightly to my back with her hands.

Being given the pleasures, the middle school girl Miyu was tossed about in an unintended way.

Then, as I approached the need to ejaculate I sped up, Miyu's insides contracted tightly. Seems like she came but I also can't just stop. I continued to piston into Miyu wet-with-juices secret place.

Having that place stimulated after becoming sensitive from cumming seems painful, she raised a voice that seemed like a shriek from under me.

Byurururu ! Byuru !

I ejaculated and Miyu's insides trembled.

I heard that there's a component in semen that makes the vagina shrink in medical studies.

Miyu looked up at me with a powaa face.

「Did it feel good ? 」

「Ye...Yes...my head...turned completely blank...」

Miyu answered while gasping for breaths.

「I'll make you feel even better in the bathroom」

I whispered into Miyu's ears while carrying her in princess-style.

Miyu's face turned feared in an instant, and her body stiffened.

「Being seen by onii-san in that appearance、I don't want to after all...」

「Your cute look、show it to me more」

「Eh? Cute? 」

「Yeah、you're cute。 Whatever appearance it is you're still cute。 」 (TN: OK, what is this sudden vanilla?)

「Really? 」

「Yeah、that's why leave your body to me。 I'll make you feel the best」

Then strength left Miyu's body, she entrusted herself to me.
She's really easy to deal with.

* * * * *

「Then、see ya」

「Haa、haa...yes」

「Oi oi、going home with that kind of heated face would expose you had sex」

「B、But because...onii-san did that much...」

As she said that her face turned bright red again.

Well, if it's that then it's just natural...

What an evening it is

But, it doesn't mean that I just have sex all the time.

I straddled Miyu and sucked her nipples, then kissed her and it took that much time.

Miyu was delighted so I overdid it.

「Let your face cool down a bit then go home」

「Y...Yes、that's right...」

I saw Miyu off to her house.

There's school tomorrow.

That reminds me what happened to Suzuka I wonder.

She even told Miyu not to tell anyone

What kind of face would she make when we meet at school

I can't help but look forward to it.

022 - Flustered

「Well there's something like this too」

I put my notebooks into my bag and went home.

I go to school by electric train.

It takes 30 minutes to go by train from the school to my neighborhood's station and it'll let me down at Touji temple, from there it takes 20 more minutes of walking.

This Monday is a national holiday, so all schools get one day off.

I wonder if Suzuka went to school

Thinking that I get into the crowded train.

Then, I spotted Suzuka in the corner of my eyes.

It's the usual Suzuka in uniform and ponytail.

Her white nape was beautiful, her uniformed is swelled up a little by her tits.

Looking at her like this confirms that Suzuka is such a beauty.

And I know

That Suzuka's tits are unexpectedly big when naked, that her hair down there is thin, furthermore I know the positions that makes her feel it and her favorite spot...

Gazing at Suzuka, I recognized something strange.

Suzuka is wary of her behind.

There was an elite-looking middle-aged man standing behind her.

When I looked closely every time the train shook he matched it and felt up Suzuka's body.

It might not be helped when the train is crowded, but that person shook his body too much compared to the people around him.

Then on his fake poker face, eyes of desire could be seen.

I see, it's in order to not be spotted as obvious molesting, the people around also didn't recognize.

However, I'm sure Suzuka herself is aware of the discomfort. She's fidgeting a little.

I'm a man with a strong sense of monopoly.

Suzuka isn't my property, but I embraced that body countless times.

I headed towards Suzuka.

「Yoo、ossan。」 (TN: Ojisan for short)

「N? What is it? You are...」

The elite-looking man answered without changing his expression.

「Don't just get all sticky with my girlfriend you molester bastard」 (TN: YUUSS. This guy boss as hell hahaha)

At the word molester the people around reacted, they looked at the man and started whispering.

「wait ! I don't know if there's any misunderstanding、but don't you say irresponsible things ! I'll sue you for slandering ! 」

I ignored the man and approached Suzuka, then I hugged her. (TN: HAHAAHA BOSS)

Suzuka doesn't seem to understand the situation, she just stared blankly.

「It's okay now、it was scary right」

The voices of people around could be heard comforting Suzuka.

I continued to whisper into Suzuka's ear so that only she could hear.

「Yesterday I also embraced Miyu lots。 She didn't want it but I pinned her down and did it many many times、it's all your fault...」

Then Suzuka began to cry quietly.

Then I started to console Suzuka and glared at the man.

「Seeing this and you still say you didn't do anything ! 」

I made her cry on my own and shamelessly blamed the man.

The people around sympathized with the weeping girl, and started to blame the man.

The worst

Hentai

Ero old geezer

Suzuka's already used to me hugging her, so she didn't resist.

We had sex thoroughly so she doesn't have any personal space for me.

The elite-looking molester old man has kept going on about 「Wait I'm not」 repeatedly like a recorder.

「Don't get close to this girl again」 (TN: 今度コイツに近づいたらただじゃおからねえからな)

I went down to Touji temple saying so over the shoulder.

The people around pressed him down to hand him to the police, but I paid no mind to the troublesome things.

When the victim isn't found, he won't be accused when handed to the police but that elite-looking old man would be dismissed from his company.

It won't be too good for the society if it's fine if he isn't caught.

But, that's none of my business

I held Suzuka's shoulders while moving to a location with few people.

「You won't tell anyone about the things in my house right」

It's the evidence for my freedom right now.

「Miyu-chan told me that、and then...」

「N? 」

Suzuka's appearance clearly changed since we got to this place with few people.

She looked at me with eyes of expectations for something.

I hit upon something

This girl was at the stage that she would feel it when I embraced her.

That's right, I completely bullied Suzuka in places where she could feel it.

I'm sure this inexperienced Suzuka went through an intense sexual sensation

「No、it's nothing...」

Suzuka is uneasy.

I pressed Suzuka's back on a wall, this is the so-called katedon position.

Then I reached to Suzuka's thighs and traced her crotch.

「Aa、noo」

「N? What's wrong? 」

「My leg is...umm...touching...」

「Your legs what? 」

「Uuuuu...」

Instead of legs I reached out my hand this time

「Ann ! 」

Suzuka blushed while letting out an unexpected breath.

This girl is cute...

I traced my middle finger as if to confirm the shape of her vagina on top of her panties.

The place was already soaked wet.

「っ！！」

Suzuka endured trying to hold her voice in.

I suddenly pulled Suzuka's panty down.

Being attacked suddenly Suzuka didn't have any resistance so her secret place was laid bare.

There was a transparent string stretched from her genital to her panty.

「Noo ! Don't look ! 」

She tried to hide her crotch with her hands, but I played with her panty, which was sticky with love juice, creating kuchakucha sounds.

Then I licked my finger.

Seeing that Suzuka turned bright red.

「Oi oi、you got wet being touched by that old geezer huh...」

I spoke surprised.

「Such thing...it、it's not like that...it's」

「It's ? 」

Even during when we were talking Suzuka's love juice ran down her thigh.

「Such things、it was a lie...I...」

「If you're horny then I'll violate you to your heart's content」

I took my penis out from my trousers.

It's already erect to its limit.

I traced Suzuka's vagina with my penis.

Then Suzuka's body shivered.

「Nooooo ! 」

I teased her clitoris with my penis kuchyu kychyu.

「A...Aann」

I pretended to insert into Suzuka's pussy

「Nkuuuu」

「Hora、do you want it in ? Wanna feel good being poked to your heart's content ? The nights before、you heard Miyu's voice when she was done from the adjacent room right ? 」

Yup, I didn't notice up until morning but the soundproof door was opened. I was that entranced with Miyu.

「Miyu's voice、how was it? It turned into a pleasant voice midway didn't it。 That Miyu、she cum when I poked her in a dog-like position」

I continued murmuring while tracing Suzuka's vagina with my penis.

There was a heavy flood at that place of Suzuka. I put the penis in but not really in, her pussy flapped open and close greedily.

「If you say I want your dick then I'll poke you thoroughly like Miyu。 Even if you yell to stop I would still violate you until you're satisfied and ejaculate in here」

I pushed the penis through her labia kuchyuri. What's left is to enter.

Suzuka's body trembled in shivers at my murmurs. And love juice continued to streamed down her thighs.

「Such things...I can't...」

Even if she's saying that, Suzuka's eyes already obviously melted from expectations of it entering.

「That so、then I'll stop」

I took my penis away from Suzuka's pussy, then broke the bridge of love juice.

「Aaa...no...」

「After school I guess I'll call Miyu and violate her、I'll penetrate Miyu when she's soaked in sweat。 But rest assured、at the end Miyu happily accepted it...if you heard her voice from earlier then you get it right ? 」

「Don't...if it's like that then take me instead...」

「Nope、I got horny because of this so I'll embrace Miyu。 You're good already」

「That can't be...」

I continued to tease Suzuka.

「Well、if you say you want the dick then I'll thoroughly violate and make you feel good。 」

I traced Suzuka's pussy impatiently.

「Aaan、I、I...won't say something like that ! 」

Suzuka's too excited voice couldn't be concealed anymore.

「That so、too bad then」

As I put my penis away Suzuka was at a loss

I left Suzuka and went to school.
